Dedication

TO SHOW OUR APPRECIATION FOR THE MANY THINGS YOU HAVE DONE
FOR US, WE (THE SENIOR CLASS OF TOWNVILLE HIGH SCHOOL)
DEDICATE THIS BOOK TO YOU, MR. BOYLAN. YOU HAVE "PUT UP
WITH US", GUIDED US, REPRIMANDED US WHEN WE NEEDED IT, AND
"WENT TO BAT FOR US". WE THANK YOU.

MR. FRED W. HERLINGER

As another year marches by and another graduating class presents itself to the adult world, we find we must stop once more to inventory the progress of the school. Among the questions we must answer is the question of preparedness. It is our desire that our students will be ready to face the complex society of an atomic age insofar as the schools can prepare them. It is firmly believed that not only should our students have the basic and fundamental learnings necessary for survival but also attitudes, ideals, and morals that have been exemplified by the Golden Rule for so many centuries. Our work can be considered well done if our students go forth with these goals achieved.

The class of '58 has earned a special niche in the hearts and minds of those of us who have worked with them over the years. They might be styled an effervescent, talented group--always ready to tackle whatever problem might arise. Along with the exuberance of youth, they have displayed a type of maturity of outlook which has earned them respect and makes us feel that they can face the future with confidence. We wish them well and want them to know that we will miss them.

Our officers have worked all year to buy robes for the entire chorus. Our main project has been selling artificial corsages. Beverly Douglas has done a swell job as chairman of this committee.

Our many thanks go to the Music Boosters, who helped us, as we could never have bought the robes without their help. We also thank Mrs. McBride for her help and encouragement.

High School Band

MR. RUTHERFORD

The fall of 1957 found 50 band members diligently working at a variety of routines and formations. The band presented a number of interesting and entertaining half time shows at the football games. The most popular show seemed to be "Everyone is out of step but my son Johnny."

After the holidays came the preparations for North West District Band. Ruth Wheelock, Ruth Larson, Joyce Sager, and Barbara Ross represented Townville. Larry Hill, Mary Ruth Dwyer, Dorothy Gillette, Darlene Beebower, and Jim Ross represented Townville at the Junior High District Band at Corry.

Band-o-Rama was the title given the annual band concert. The Beginners, Elementary, High School, and Jug and Bottle bands cooperated to make this program a success.

On Memorial Day, the band marched in Titusville and Townville and played selections at Centerville.

As a finale to a successful year, the band members went to Conneaut Lake Park for the last get together of the year.

The Future Homemakers of America is a national organization, composed of girls who have completed one year of homemaking.

The purpose of the organization is to promote the interest in careers in the field of Home Economics and to promote good home and family life for all. Our motto is, "Toward New Horizons."

During the school year the local chapter meets twice a month during activity period. Our activities for the year were informal initiation, regional meeting, sent a box to Crossnare, state meeting in Harrisburg, Mother and Daughter Banquet, Senior Tea, and Summer Conference at Penn State in June.

Junior Future Homemakers of America

The Junior High Future Homemakers of America was organized for the girls in seventh through ninth grades, not enrolled in Vocational Home Economics.

They conduct regular meetings during activities periods, twice a month. During the meetings they take part in activities which train them in teamwork and cooperation.

The club is divided into two groups with Mrs. Ingraham, Janet Drake, and Theda Patterson as advisors.
